Model Schools Conference

(Annual Model Schools Conference – From Best Practices to Next Practices: Meeting the requirements of today while innovating for the future education experts, experienced practitioners, and model schools present cutting-edge approaches to: Implementing effective support, supervision, and evaluation systems in the face of inadequate time and scarce resources, Preparing students for annual academic growth even as the Common Core State Standards and Next Generation assessment increase proficiency requirements, Leveraging rigor, relevance, and relationships to prepare students for success in the increasingly technology-driven global economy, Adopting leadership strategies that empower staff to become agents of change and transform the system.)
