Richard Colelli	National Technology Student Leadership Conference <i>Leadership and opportunities in technology, innovation, design and engineering. Membe4rs apply STEM concepts through co-curricular program. The Technology Student Association (TSA) is the only organization devoted exclusively to the needs of student's interested in technology. TSA is supported by educators, parents and business leaders who believe in the need for a technologically literature society. Members learn through exciting competitive events, leadership opportunities and much more. The diversity of activities makes TSA a positive experience for every student. TSA chapters take the study of STEM technology, engineering, mathematics beyond the classroom and give students the chance to pursue academic challenges among friends with similar goals and interests. Together, chapter members work on competitive events; attend conferences on the state and national levels. Chapter organization develops leadership, as members may become officers within their state and then run nationally. Our chapters are committed to a national service project and are among the most service-oriented groups in the community.</i>	Orlando, FL	6/28-7/2/13	1	0.00	L (Supt.)	4,112.20
