- Congratulations to our High School students for their outstanding example of patriotism on September 11. The flags along Preston Lane brought a lot of positive comments from our community and were a great example of what makes Southern Lehigh special. At the same time, students and staff throughout the District wore red, white, and blue to remind us of the brave individuals who lost their lives on 9/11.
- Liberty Bell Elementary is sponsoring their second annual Joseph P. Liberati Mini-Golf Tournament to raise money for the senior scholarship.
