## High School

- Keystone Exams were given over 6 days the last two weeks to those students who needed to retest in Algebra I, Biology and Literature.
- Students are finishing up final exams in semester courses this week as the second marking period comes to a close.
- The 2015-2016 course selection process is set to begin on January 26 and a Connect Ed message was sent to parents making them aware of the dates and where to find the Program of Studies book online. Students will receive a hard copy of the book when they meet with their counselors but the online version will give parents time to preview the book if they wish to do so.
