Kari Bennett	<p>TEEAP and STEM Conference <i>The TEEAP conference is one of the best conferences in our area about STEM and Technology Education. Throughout the day there are many opportunities to attend sessions about what interests you, or what would be best for your school setting. There are vendors showing some of the latest equipment that is available. Most of the sessions are taught by current teachers giving you an insight on how they teach the lesson and if it would be possible to implement that particular lesson in your classroom. This year I have won the award for Elementary STEM teacher of the year. I will also be recognized my Millersville University. I also am the recording secretary for the meeting held on Wednesday night.</i></p>	Lancaster, PA	11/10-12/16	3	200.00	L	448.56
