REPORTS

Lehigh Career & Technical Institute

Mr. Miracle said that the budget was passed at the 10/24/07 meeting, and that the Board will reorganize on 12/16/07.

Superintendent's Report

Mr. Liberati presented a Technology Coach proposal from Mrs. Christman. Funding sources are as follows:

- Technology Integration Coach position is included in this year's budget.
- \$55,000 approved in the Accountability Block Grant (ABG) for a MS/HS Technology Integration Coach.
- \$30,000 approved in the Classrooms For the Future Grant (CFF) for a ½ time Technology Integration Coach.

The proposals are:

- Mr. Breisch remains the full time HS Technology Coach utilizing District budgeted funds.
- Hire an additional MS Technology Coach with ABG funds.
- Utilize CFF funds for a Lead Teacher Technology Team, 1 each for 4 core areas covered in the CFF Grant – Math, English, Science and Social Studies.

Mr. Snell reported that he had spoken to the Budget & Finance Committee members regarding adoption of a Board resolution to **not** raise the millage rate above the maximum amount allowed by the state index for fiscal year 2008-2009. The state index of 4.4% would permit a maximum millage increase of 1.87 mills without regard to allowable exemptions. Mr. Snell indicated that favorable results from 2006-2007 have increased the District's fund balance, thus insuring that the District would not need to raise the millage rate by more than 1.87 mills for 2008-2009. If the Board adopts the resolution by January 3, 2008, then the District could follow the pre-Act 1 budget timeline. There was Board consensus to adopt the resolution. He said that Attorney Bartholomew would prepare the resolution for Board adoption at the November 19, 2007 Board meeting.

Facilities Report

Mr. Liberati reported that Mr. Baker was at the Intermediate School construction site today, and that work continues on the foundations. Fifty percent (50%) of the steel is fabricated and ready to be delivered to the site. He also said that the first steel beam will be signed by the School Board members sometime around the end of November.
