Kristen Lewis	<i>(K12 Systems, Inc. cordially invites you to attend our 2011 Sapphire Users Conference on Wednesday, July 13, 2011. The conference is located at the beautiful Hershey Country Club in Hershey, Pennsylvania. The Sapphire Users Conference will enable K12 Systems to share some new and exciting information with you about the latest software releases and new software coming your way. The conference will also allow you to share your individual challenges, opinions and district's future requirements. An interesting and diverse set of presentations will provide an excellent opportunity to hear about new Sapphire software developments and capabilities. Showcased will be real-world demonstrations of our newest Sapphire software solutions. You will see, up close and personal, our newly released Sapphire Analysis Suite: Report Writer, Assessment Tracker and Data Mining. Also soon-to-be-released Student Backpack and more. In addition, specific time has been allotted to allow users to exchange experiences with other users and to allow users to discuss points of interest with software developers of Sapphire products.)</i>				0.00	L
