Center Valley, PA 18034

## Authorization for Medication during School Hours

If your child must receive medication during school hours, and you cannot come to school to administer the medication, the following steps must be followed:

- All medication must come into school in its original bottle or package and go directly to the school nurse or other authorized health services personnel. In the absence of a nurse or other authorized health services personnel, the medication should be delivered directly to school office personnel.
- This form must be completed by the physician and signed by you. This is for both prescription and over the counter medication.

The school will hold the medication in the health room. It will be the student's responsibility to go to the office or health room at the correct time and request and administer the medication.

The prescribing physician must complete the following:

1. Child's Full Name \_\_\_\_\_
2. Diagnosis \_\_\_\_\_
3. Medication Prescribed \_\_\_\_\_
4. Prescribed Dosage \_\_\_\_\_
5. Time Schedule \_\_\_\_\_
6. Doctor's Name \_\_\_\_\_
7. Expected Duration \_\_\_\_\_
8. Any Special Circumstances \_\_\_\_\_

I certify that it is imperative that the medication prescribed above be taken during school hours. **Failure to take such medication would jeopardize the health of the student or would prevent the student from attending school.**
