### Special Programs

**eLearn 21:** eLearn21 is an online education program offered through Intermediate Unit 21. Courses taken through eLearn21 are indicated as “CYBER” on the transcript.

**Emerging Health Professionals:** Emerging Health Professionals is a highly selective, honors-weighted program in which students take two science courses (Physiology & Anatomy) at Penn State University-Lehigh Valley campus, or at Lehigh Carbon Community College two days a week and participate in a challenging health curriculum three days a week at the Lehigh Valley Hospital and other locations. Students also have the opportunity to shadow professionals in the medical field.

**High School Scholars:** The High School Scholars Program is a highly selective program that enables academically talented seniors to take college courses at local colleges such as DeSales University and Lehigh University. Acceptance into the program is based on GPA/Class Rank, strength of schedule, SAT/PSAT scores, application essay, and teacher/counselor recommendations.

**Spanish Immersion:** The Southern Lehigh School District offers a Spanish immersion program in which students are taught all of their core subjects (except for English) in Spanish throughout elementary school. At the high school level, immersion students take Spanish Culture & Communication, Honors Spanish Communication & Literature, AP Spanish Language, and AP Spanish Literature.
