

SOUTHERN LEHIGH

HIGH SCHOOL

The PSAT/NMSQT will be administered to ALL 10th grade students at Southern Lehigh High School on **Wednesday, October 18th at 7:35 AM**. The PSAT is a practice version of the SAT and can be used as an alternate graduation pathway (Act 158). This year, the College Board is requiring all schools to administer the exam digitally. Students who take the PSAT also have the option to receive admissions and financial aid information through the Student Search Service.

The PSAT/NMSQT is the qualifying test for 11th grade students to enter the highly competitive National Merit Scholarship Competition, so we also encourage juniors to register for the exam.
