# 7th Grade Sports

---

Fall - Football, Girls Volleyball, Field Hockey, Cheerleading and Cross Country

Winter - Boys and Girls Basketball, Cheerleading, and Wrestling

Spring - Track and Field, Softball, and Coed Soccer

# Registration

---

Registration information is always posted on our athletic website, sent out district-wide through email, and posted on social media. All sign-ups are completed online. Below are the months that registration usually opens for each season:

Fall - June

Winter - October

Spring - February

# Academic Eligibility

---

If you play a sport in MS, you are called a **STUDENT-athlete**. The PA state rule is that you cannot be failing two or more classes at anytime and play a sport. The Athletic Office checks eligibility every Friday and informs you, your parents, and your coaches if you are ineligible to participate in games and practices.

# Additional Information

- Some sports conduct tryouts at the start of each season depending on how many kids sign-up
  - Attendance is mandatory at all practices and games
  - You may only play one sport per season
- 
- Encourage your parents to attend our Information Night on Tuesday May 16th at 6:30pm in the SLHS Auditorium. They can check out the athletic website and social media for more information!
