What is the Hopewell PTA?

The Hopewell Elementary School PTA, Inc. is a non-profit organization that is completely funded by the generous contributions of its members. It is part of the largest volunteer child advocacy association in the nation. We serve as advocates for the school's students, staff, and administration, and assist in efforts to solve school needs through volunteering and funding.

Why join the PTA?

Without the time, talent, and great efforts of our members, the PTA would simply not succeed. By joining this organization, you are leading by example showing your child the importance of giving back, and the importance of his or her education.

How are the fundraising dollars spent?

Because of the tremendous support we receive from our Hopewell families and friends, the PTA is able to fund all of the following programs and experiences and much more: school-wide assemblies, class field trips, additional playground equipment, teacher stipends, Reading is Fundamental, teacher appreciation, school store.
