July 14, 2020

SLSD Parents and Guardians,

The Southern Lehigh School District has updated the District website (www.slsd.org) to provide additional information about the Return to School Plan for the 2020-2021 school year.

On the district main page click on the COVID-19 Plan Resources and then the Reopening of Schools tab. All visitors to the Southern Lehigh School District Reopening of Schools Web resources will be able to access the following information:

- Reopening Communications
- Reopening Timeline
- Reopening Survey Results
- Reopening Guidance Resources
- Reopening Task Force Presentations
- Reopening Health and Safety Plans
- Reopening Pandemic Planning Team

The current **draft** of the Southern Lehigh School District Health and Safety Plan is found on the Reopening Health and Safety Plans page and is available for review prior to the School Board Special Meeting on 7/20/20.

Please note, all of the content held within these pages is subject to change. Additionally, the Southern Lehigh School District Health and Safety Plan represents the requirements set forth by the Pennsylvania Department of Education (PDE) for the physical return to school. This document does not encompass all of the incremental planning necessary to physically reopen the schools. That planning is ongoing and additional details will be shared throughout the summer.

Thank you for the ongoing support as we continue to plan for the 2020-2021 school year. The Southern Lehigh School District is committed to providing a safe and flexible educational program for our students while taking recommended guidelines seriously as we strive to protect the health and safety of our staff, students, and the community at large.

Kathleen T. Evison
Superintendent
