

COVID-19 COMMUNITY VACCINATION CLINIC

Friday, February 18: 3:30 p.m. to 6:30 p.m.

Southern Lehigh High School

5800 Main Street, Center Valley, PA 18034

Lehigh Valley Health Network is proud to partner with the Southern Lehigh School District to provide a COVID-19 Community Vaccination Clinic for anyone 5 years of age and older. The vaccination clinic will be held in the cafeteria, signs will be posted at the appropriate entrance.

The Pfizer, Moderna, and J&J vaccine will be available and is free of charge. This vaccination clinic will be able to provide 1st, 2nd and booster doses.

Pre-registration is required to secure your vaccine. Registration can be done by using the link below. Walk-ins allowed as supply lasts.

**Please note: all children under the age of 18 will need to be accompanied by a parent/guardian to receive the vaccination. Those looking to receive a 2nd dose or booster dose should bring proof of their prior vaccination.*

Learn more about COVID-19 vaccines at LVHN.org/Vaccines.
