

DR. KAREN TRINKLE, SUPERINTENDENT
OBJECTIVE PERFORMANCE STANDARDS 2025-2026

- **Capital Project and 3–5 Year Strategic Plan:** Develop and implement a forward-thinking strategic plan that aligns capital improvements with instructional priorities, ensuring our facilities support modern, innovative learning environments for years to come.
- **Full-Day Kindergarten and Grade 3 Transition:** Successfully launch full-day kindergarten and transition Grade 3 to the intermediate school, strengthening early childhood learning experiences and creating a cohesive academic progression for all students.
- **Curricular and Technology Innovation and Integration of Artificial Intelligence:** Embrace cutting-edge instructional practices by fostering curricular innovation and thoughtfully integrating AI to enhance teaching, learning, and student engagement across all grade levels.
- **Strategic Financial Planning:** Build a sustainable and transparent financial strategy that aligns with district priorities, supports long-term growth, and ensures responsible stewardship of resources to benefit students and the community.
