

HOPEWELL ELEMENTARY PTA, INC.

What you need to know

Who we are

The Hopewell PTA is simply a group of community members working together toward the common goal of enriching our children's educational experiences. We serve as advocates for the school's students, staff and administration and assist in efforts to solve school needs through volunteering and fundraising.

What we do

Our primary objective is to provide Hopewell with funds, programs, resources and services that will enhance each student's experience. To meet this goal, we fundraise. The PTA spends approximately \$65 per year on each child. Funds raised support school-wide assemblies, class field trips, additional playground equipment and so much more!

Volunteering

The PTA is a team effort with multiple facets running simultaneously and we cannot succeed without you! Volunteering means as much or as little time as you can give. Complete the enclosed flyer and tell us you are interested in helping. We'll be in touch soon.
