To: Southern Lehigh School District Community

From: Michael Mahon, Superintendent

Date: December 16, 2021

Earlier today Southern Lehigh School District learned of social media posts on TikTok indicating violent yet non-specific threats against schools across the United States on December 17th. Our partners in local law enforcement have been notified and are monitoring this issue in cooperation with district administration. As always, never hesitate to report any concerns regarding the safety and welfare of our students.

Thank you!
