## SOUTHERN LEHIGH

Dear Parents/Guardians or Staff Member:

The Pennsylvania Department of Health has notified the Southern Lehigh School District that as a result of the number of cases of COVID-19 within the Rolling 14 Day Period at Southern Lehigh High School, we will be required to close the school building for in-person instruction, co-curricular activities, and athletic activities starting with after school programming on **Friday, March 26th through Monday, March 29th**. The DOH requires this targeted closure to ensure that the necessary case investigation, contact tracing, and quarantine communications are complete. All students will receive a communication from Mrs. Guarriello outlining the instructional schedule for Monday, March 29th.

**We will reopen Southern Lehigh High School for in-person instruction on Tuesday March 30th** at which time the COVID-19 case counts in the Rolling 14 Day Period at SLHS will reset to zero.

Students and staff **MUST** continue to complete the [Daily Health Screener](#) and stay home when sick or while awaiting COVID-19 test results. Further, staff and students **MUST** notify the SLSD Nursing Team immediately if they are experiencing symptoms related to COVID-19 or are a confirmed case of COVID-19. All SLSD students and staff must continue to closely monitor themselves for any sign of illness related to COVID-19 and seek medical guidance as needed. The Pennsylvania Department of Health provides the following guidance specific to the symptoms of [COVID-19](#).

If you have any questions about COVID-19 or the related symptoms, please call the PA Department of Health at 1-877-PA-Health, Lehigh County representatives from the Pennsylvania Department of Health at 610-821-6770, or schedule a virtual visit at [St. Luke's](#) (1-866-STLUKES, option 7) or [LVHN](#), (888-402-LVHN).
