

# HOPEWELL HAPPENINGS

Dear Hopewell Families,

NOVEMBER 19, 2021

We had a great presentation this morning. Students met "Optimus Prime" and learned about strategies to "rise up to bullies." We would like to thank our PTA for supporting this event and also for all of the goodies they have provided during conference week. Thank you to our families for participating in and reinforcing the partnership between home and school, always, and especially during conferences. The generosity to our giving tree, book fair, and fundraisers has been overwhelming. Thank you, again! Our staff have been providing amazing instruction and opportunities for students. I am grateful for the work they do every day to keep our kids safe, happy, and learning. We would not be able to do all of the extraordinary things at Hopewell without our incredible students, staff, families, and beyond. We had some special visitors this week come in to see all of the great things that happen at Hopewell. Please check out our pictures, upcoming events, and information below.

Happy Friday!

Lynn Chromiak, Principal
