Hopewell Elementary School | July 11-15, 2022 | Daily 9 a.m. - 3:30 p.m.

Recommended for students entering grades 2-6 next fall

The all-new 2022 **Camp Invention: Explore** program is a dynamic, high-energy STEM program where young innovators will:

- **dive into cutting-edge ocean research** as they adopt their own robotic fish, design and patent aquatic plants, and take their fish friend home in a mini tank;
- **discover real space exploration technology** when they create Space Packs and AstroArm devices, mine an asteroid and observe erupting ice volcanoes;
- **combine science and art** to build their own robotic artist, engage in design thinking, make spin art and learn how inventions can change the way people create; and
- **experiment with the fun of physics, engineering and gaming** as they design, build and test their own mega marble arcades.

**Register using SUM25 by March 31 to save \$25,
or SUM15 by May 18 to save \$15.**

Please join us at [Camp Invention SLSD](#) on Facebook. Please contact Camp Parent Volunteer Melissa Vedder at mkellya29@gmail.com with questions. **Registration is open at invent.org/mylocalcamp or by calling 800-968-4332.**
