Dear Hopewell Families,

Happy Friday! We celebrated Mrs. Privitera, Mrs. Sheats, and Mrs. Roth on Administrative Professionals' Day this week. Thank you to our extraordinary office ladies for all they do for our students, staff, and families!

We also kicked off our 3rd-grade ELA PSSAs. Students worked hard and did a great job. Next week we will complete the math PSSAs.

Next week we will also celebrate our amazing staff during Teacher Appreciation Week. Our team does an exceptional job making a difference every day.

Be sure to check out our upcoming events and opportunities below. Please do not hesitate to reach out to me directly if you have any questions.

Enjoy the last weekend in April and the first in May!

# LIBERTY TRAILS SUMMER CAMP

**June 14 – July 1, 2022**

**Students currently in grades 2 - 6**

*Are you interested in adventure & exploration?  
Do you like field trips?*

**Liberty Trails Summer Camp** offers kids something new each day! The adventure begins at Liberty Bell Elementary School where participants will learn background information about the day's experience. Then it's off to the buses! Previously, students have visited Adventure Aquarium, Ashland Coal Mine, Sandy Hook National Recreation Area, Hawk Mountain, Lancaster County, Crystal Cave, Jacobsburg State Park, Tannersville Cranberry Bog, and more. Included in the 13-day camp is a 2-night cabin camping experience at Pocono Environmental Education Center. Historical, geographical, environmental, and cultural themes are woven into this program. This camp is designed for students currently in 2<sup>nd</sup> through 6<sup>th</sup> grades.

The camp meets at **Liberty Bell Elementary** from **June 14 - July 1**. Most days will begin at 8:00 am and end between 3:00 and 5:00 pm depending upon the destination. It is the responsibility of the parent/guardian to provide transportation to and from Liberty Bell Elementary during the program. Students who have not previously participated in the Liberty Trails Summer Camp will be given first priority to attend. The cost for the 13-day program is **\$400 per student**. Registration is open for Southern Lehigh School District students. Maximum of 50 students.

There will be a Parent Orientation meeting in the evening on May 31, at which time a detailed schedule will be given out. Those that register will be contacted with the date once it's scheduled. We also encourage our parents to sign up as chaperones! It's a great experience for adults as well! Be sure your clearances are on file with the school district.

## Camp Invention Is Back!

Hopewell Elementary School | July 11-15, 2022 | Daily 9 a.m. - 3:30 p.m.

*Recommended for students entering grades 2-6 next fall*

The all-new 2022 **Camp Invention: Explore** program is a dynamic, high-energy STEM program where young innovators will:

- **dive into cutting-edge ocean research** as they adopt their own robotic fish, design and patent aquatic plants, and take their fish friend home in a mini tank;
- **discover real space exploration technology** when they create Space Packs and AstroArm devices, mine an asteroid and observe erupting ice volcanoes;
- **combine science and art** to build their own robotic artist, engage in design thinking, make spin art and learn how inventions can change the way people create; and
- **experiment with the fun of physics, engineering and gaming** as they design, build and test their own mega marble arcades.

**Register using SUM25 by March 31 to save \$25,  
or SUM15 by May 18 to save \$15.**
