Hopewell Happenings

Dear Hopewell Families,

It's hard to believe it will be October at the end of the week! Our students are "FALLing" into some great habits and have been doing a fantastic job earning their paws. We are planning some exciting events for the month of October. Please scroll down to see the list.

As you know, safety is a top priority in our school and district. Over the last few weeks of school, classes have been discussing preparedness techniques in case of different emergencies. As a part of our preparedness, we will be having a school-wide safety drill this week. Students will know that it is a drill and will be prepared.

Below are reminders, upcoming events, helpful links, and ways to stay connected. Thank you again for your continued support of our school!

Stay well,

Lynn Chromiak, Principal
