810.5 – TRANSPORTATION

FIELD TRIPS, ACTIVITY TRIPS AND ATHLETIC TRIPS

Field trips shall be encouraged as a means of advancing and enlarging the work in the classroom.

Any teacher taking a group of children on a field trip or excursion off the school grounds, or any other activity including sports-related trips, shall secure the permission of the principal in advance and file the Application for Approval of School Bus Transportation fifteen school days prior to the trip date.

Each pupil participating in a field trip which requires leaving the school grounds shall complete an Educational Trip Permission Form and have it signed by the parent or guardian, and return it to the teacher sponsoring the trip. Any pupil whose conduct on an educational trip does not reflect pride in his/her school and himself/herself shall be disciplined properly and may be denied the privilege or participation in future trips.
