

GRADE 8

Mrs. Mays – 238/248/258

- 3 ring binder -- at least 1 inch, preferably larger. Any color, any style, but it needs to be sturdy to last all year
- They also need a scientific calculator, a TI34 multi-view is recommended
- Lined notebook paper OR a spiral bound notebook
- An AMPLE supply of pencils

Mr. Meyers – Science 308

- 1 inch binder
- lined loose leaf paper

Miss Bauer Reading Seminar - 018

- 2 pocket folder
- Notebook (either spiral or composition book) for journal

Mrs. Frasch -138

- notebook of your choice to be kept in school as writer's notebook
- flashdrive
- 1 - 2 pocket folder

Ms. Kleppinger -Language Arts 128/138

- 1 Binder (around the 2 inch size)
- 1 pack of pencils
- Lined paper with holes (either in a notebook or loose leaf)

GRADE 7

Mrs. Sterner – Language Arts 127/137

- 1-inch, 3-ring binder
- 1-subject notebook
- Clear sheet protectors (25)
- USB Flash Drive (optional, but strongly recommended—a 1GB or 2GB will work)
- Loose-leaf paper
- #2 pencils with erasers
- Pens (blue/black ink only)

Mr. Cameron-7th grade Language Arts

- Journal/composition book
- One subject notebook with loose leaf paper
- 25 page protectors
- a 1/2 inch or 1 inch three-ring binder
- pens and pencils
- flash drive is preferable

Miss Bauer - Humanities

- 2 pocket folder for in class work

017 Reading

- Notebook (either spiral or composition) for journal
- One 3 ring binder (1 inch)
- 2 pocket folder

Mrs. Frasch - 037/137 - Gifted reading/Honors Language Arts

- 2" binder with 5 dividers
- loose leaf paper
- pencil case for 3 ring binder
- blue or black pens
- red pen
- pencils

Mrs. Benedix/Mrs. Kerrick -Social Studies 407

- Notebook - this can be a 3 ring binder with pockets or a pocket folder with three prongs in the center. Students will be required to submit a notebook at different times during the year so this is a must! It may even help to have an extra just in case the original doesn't make it through the year.
- Journal Notebook - A one subject spiral bound notebook or a composition book will do.
- Writing Utensils - Pencils are preferred but pens are also acceptable. The color of the ink does not matter as long as I can read it, so white, yellow, or other light colors are not a good idea.
- The following items may be helpful but are not required. These will be available in class but some students like to have their own.
- Colored Pencils - These will be used maps and various other assignments.
- Glue Stick
- 3-Hole Punch

Mrs. MacIntyre and Mrs. Rothenberger - Science 307

Calculator – (determined by your Math class)

- (1) 1-subject thick-sized Composition books (you may have to buy two more later in the year). This will be your Interactive Science Notebook. (Spiral notebooks will be accepted, but bound composition books are preferred.)
- 1/2" three ring binder OR (1) two-pocket folder for past/graded assignments (quizzes, tests, etc.)
- a year's supply of glue sticks or scotch tape (to be used in class throughout the year to secure papers into a spiral notebook or a composition book).
- black or blue pens
- colored pencils - to be used all year long
- regular pencils (a year's supply)
- loose leaf notebook paper (a year's supply) - separate from the spiral notebook/composition book
- Sticky notes - a year's supply

Mr. Strobl- Math

- Pencils
- Notebooks
- Folder
- TI34 Multiview Calculator

SPECIALS
