April 2015

## Author Visit Information

The Author Visit is coming soon! Michael Patrick O'Neill will be here on Thursday, April 30<sup>th</sup>. To prepare for his visit, students and I have been reading his books in the library and "diving" into some interesting ocean facts. Michael's books mainly focus on coral reefs, sea turtles, reef fish and sharks. We have all of his books here in the library. You are welcome to check them out for use in your classrooms. Also, if you would like additional ocean themed books or DVDs just let me know.

The order form for Michael's autographed books has been distributed. As orders come in, please send them to the library or place in my mailbox. Also, if you are interested in purchasing books yourself, I will be happy to provide an order form. The last day for book orders is April 20<sup>th</sup>.

There will be 3 assemblies on the 30<sup>th</sup>. This will allow Michael to present to smaller groups of students. Thanks to Gretchen for graciously letting us use the gym for the day!

***Thank you to everyone who signed up for the luncheon! The last day for money will be April 15<sup>th</sup>.***

**First Assembly  
9:30-10:15**
