Funding Source: (L)ocal, (S)tate, (F)ederal, (A)pplicant, (O)ther

Patricia Smiley	<p>Advanced Placement Summer Institute in AP Chemistry</p> <p><i>The College Board has redesigned AP Chemistry and the new course will be in effect beginning with the 2013-2014 school year. The AP Summer Institute will support teachers in their transition to the redesigned course. Focus will be on creating a new syllabus that is due to College Board by January 2014, completing labs from the newly released AP Chemistry lab manual, discussing strategies for modifying labs currently in use, examining the classroom approach to developing critical thinking and analysis strategies, and discussing topics introduced in the new curriculum. St. Johnsbury Academy has offered the AP Institute since 1986 and is a premier professional teaching environment for AP certification on the East Coast.</i></p>	St. Johnsbury, Vermont	7/28-8/2/13	6	2,257.00	L (A.P.)	2,257.00
