Kim Halloran					100.00		255.00
Kate Flannery					100.00		255.00
Kari Bennett	62nd TEEAP and STEM Conference <i>The TEEP conference is one of the best conferences in our area about STEM and Technology Education. Throughout the day there are many opportunities to attend sessions about what interest you, or what would be best for your school setting. There are vendors showing some of the latest equipment that is available. Most of the sessions are taught by current teachers, giving you and insight on how they teach the lesson and if it would be possible to implement that particular lesson in your classroom. This years' focus is STEM and it would be a huge benefit to go because of writing curriculum this year.</i>	Camp Hill, PA	11/6/14 11/7/14	2	200.00	S (RTL)	360.00

Funding Source: (L)ocal, (S)tate, (F)ederal, (A)pplicant, (O)ther

Margaret Hines	Content Area Networking Group – Math Gr. 6-12 <i>Meeting with other teachers in the Lehigh Valley to discuss trends in math education, share materials, ideas, and resources.</i>	Schnecksville, PA	11/11/14	1	100.00	S (RTL)	130.19
Brynne Rice	What’s New with the WISC-V <i>The workshop will describe how the WISC-V may be used for cognitive assessment, including changes from changes from previous editions, interpretive approaches, and the new digital format.</i>	Doylestown, PA	11/12/14	1	0.00	S (RTL)	20.00
Bonnie Organski	PBEA Annual Conference <i>Workshops will focus on the new teacher evaluation system that will take place for all of us this coming school year. PBEA is creating resources in order to provide some tools and tips for BCIT educators as they create their Student Learning Objectives (SLOs). In addition, many hands-on technology sessions will be incorporated in light of the 1:1 device to student ratio in learning environments.</i>	Grantville, PA	11/20/14	2	100.00	S (RTL)	381.00
JoAnn Peralta			11/21/14		100.00		

Brian McLaughlin	<p>Advanced ALICE Training <i>The purpose of advanced ALICE training is to educate local and school-based law enforcement, as well as church, hospital, and workplace administrators and safety professionals about our researched-based, pro-active response approach to Violent Intruder events. The ALICE training program is designed to supplement current “Lock-down” or “Secure-in-Place” procedures used frequently in our public schools and institutions. Tragic historic events have dictated the need of enhanced response options to increase chances of surviving a horrific event.</i></p>	Millersville, PA	1/5/15	2	0.00	L	825.00
