Leah Christman	The Summit of 21st Century Learning <i>This two-day event will highlight the importance of quality teaching and learning across the full 21st century learning continuum. Including in early learning and beyond school. The P21 Summit is a unique event where education decision makers come together in support of a common goal – how to bring 21st century learning to ALL students. The P21 Summit is not a professional development event, but an opportunity to take part high level policy discussions on the most pressing topics in 21st century learning, and a chance to experience this kind of learning first-hand.</i>	Washington, DC	3/26/15 3/27/15	2	0.00	L	785.00

Russell Tucker			200.00		598.00		
Thomas Seidenberger			200.00		598.00		
Lorraine Frasch			PAGE Conference – Gifted Education: Igniting and Nurturing Potential <i>This is the annual PAGE Conference. I plan on attending 2 sessions while there. The first session is titled “Boot Camp Life: Surviving the White Waters of Screening and Identification of Gifted.” This is an importation session because we are in the planning stages of getting a universal gifted screener for all students at SLSD. The second session is called “Re-thinking Enrichment: How to Extend Depth and Complexity to include All Learners.” This session is hope to provide information not only good for challenging gifted students in the regular level classroom, but also to provide ideas for adding depth and complexity to our gifted goals and projects.</i>		Radnor, PA		4/30/15
Donna Gaugler	100.00	260.00
