

Southern Lehigh School District

High School Syllabus

On The Road Drivers Education 2014-2015

Course Description:

Students will have hands on experience on how to use good habits to create safe driving behaviors. The Southern Lehigh "On The Road" Driving Program is an approved enhanced drivers education program by the state of Pennsylvania. This program is optional to the students and must first be approved by the drivers education department and given written permission from a parent or guardian prior to starting the program. Each student must have 6 hours of "On The Road" Driving along with 30 hours of prior classroom experience before complete the entire course. After completing 6 hours of driving experience with the school district and their combined 65 hours of total driving time (including 6 from school), they will then be able to take the road test for their Junior License.

Benefits from the program:

- Driving experience to improve good driving habits for safer driving
- Eligibility to take road exam for driving license with certified school instructors.
- Qualify for 10% or more reduction on auto insurance when completing the entire course including the 30 hours of classroom experience.
