Program Commitment Agreement

After completing the prerequisite orientation activities, or as a parent of a sibling enrolled in the program, I clearly understand that:

- *English instruction will not begin until third grade. Only English exposure in grades one and two will come from the home environment.*
- *I am responsible for continuing to work with my child's English language development. This will require varying amounts of time that I must invest in my child's education.*
- *This includes:*
 - *ORAL LANGUAGE and VOCABULARY*
 - *READING*
 - *WRITING ***These three skills are crucial for making connections to a second language. **Placement in Spanish Immersion is recommended for students whose English skills are progressing at or above grade level.*
 - *I will **NOT translate** for my child because this is not the natural way to acquire a second language.*
 - *I intend to keep my child in the program for the entire 5+ years and understand that any concerns regarding a student's academic progress will be addressed jointly among the teachers, principal, and parents.*
 - *I understand that withdrawing my child from the program early prevents another child from experiencing the program since the slot cannot be filled beyond 2nd grade.*
 - *I agree to allow my information to be shared with other Spanish Immersion families.*
- OR–
- *I do NOT want my information to be shared with other Spanish Immersion families.*
- ***I have read the 2025-2026 1st Grade Spanish Immersion Expectations Agreement, and understand and accept the expectations as listed above and wish for my child to be enrolled for 2025-2026 1st Grade Spanish Immersion.***
