How to Submit a Request

1) Click on the **Schedule Request** tab if you do not see the screen below. Select your schedule type.

2) When entering a schedule, any field with a red checkmark ☑ beside it is a required field. The system will not save your request if the information is not filled out.

- Enter the **Event Title**.
- Click on the drop down menus beside **Location** and **Room** to select the spaces that are needed.
- Choose your **Event Dates** by clicking on the date in the calendar box to the right. You can click on the black arrows in the calendar box to change months.
- Click on the [Check Availability] button to verify you are not double booking a room.

NOTE: The boxes beside **Duration** and **Spans** (show below the Setup/Breakdown time) typically will not need to be changed. Spans over should be left as 1 day unless you are requesting an overnight event. The duration automatically calculates according to the start and end time that you enter. Also make sure that you are selecting **AM** or **PM** for the correct time of day.

3) Enter any **Additional Information**, **Organization Information**, **Insurance Information**, **Setup Requirements**, and **Rental Requests** that may appear on the form. Remember, make sure to fill in all required fields marked with a red checkmark ☑.

4) At the bottom of the page you will be prompted to enter the **Submittal Password** of (Insert Submittal Password Here). Click **Save** to submit your request.

Note: If you have multiple schedule requests to enter at one time, you can use the Renew feature to save you time. Once you have submitted the first request, scroll to the top of the screen and click on **Renew Schedule**. This feature acts as copy button and will copy all the information, except for event dates, from the schedule that you just submitted into a new schedule request form. Because it is a new schedule, you will be able to update any of the necessary fields and add the new event dates.

5) You can review any requests that you have entered into the system. Click on the **My Requests** tab then hover your mouse over the **Shortcuts** link and click on **My Schedule Requests**. You will be able to see when your request has been approved, declined, etc. You are also able to print out a listing of your requests by clicking on the printer icon.

How to View the Calendar

1) You can view an event calendar while in the **My Requests** section. Hover your mouse over **Related Links** (next to the Shortcuts link) then click on **Month Calendar**, **Day Calendar**, or **Week Calendar**.
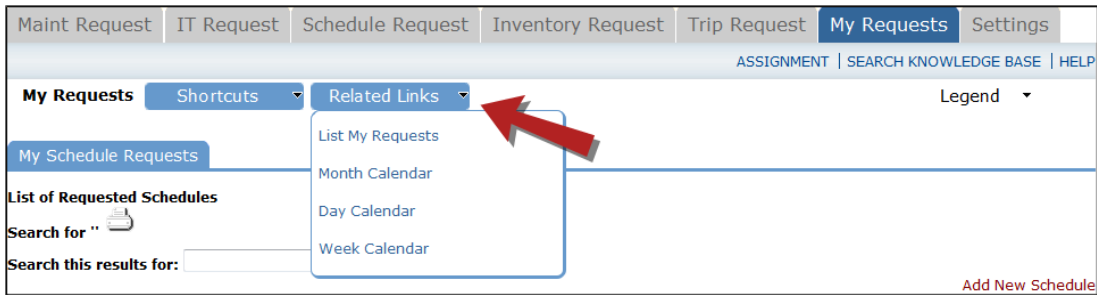

2) When accessing the month calendar, for example, the default view will be on the current month/year. You can change either of these by clicking on the blue down arrows. The calendar will not display any events at first. Select from the **Location** drop down menu then click **Refresh Calendar**. You can also filter your calendar view according to room, organization, etc. The more items you select, the more your calendar will be filtered.

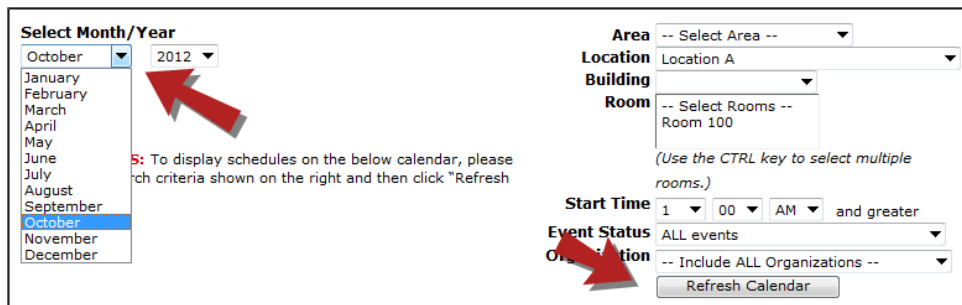

3) The items that you will see on the calendar are the event titles. If you would like more information about a particular event, simply click on the title to view the details. There is a Legend under the calendar which indicates what the dots and symbols to the left of the event title represent.

Need Help?

There are several ways to get help for any questions that you may have. Click on the **Help** link located in the upper right hand corner of your screen.
Once you click on Help link you will see a screen which will list a few help options. If included, you will see a listing of local phone numbers that can be used to contact someone within your organization. Additionally, you will see a link to download the FSDirect Requester Manual as well as being able to access the Online Help page.
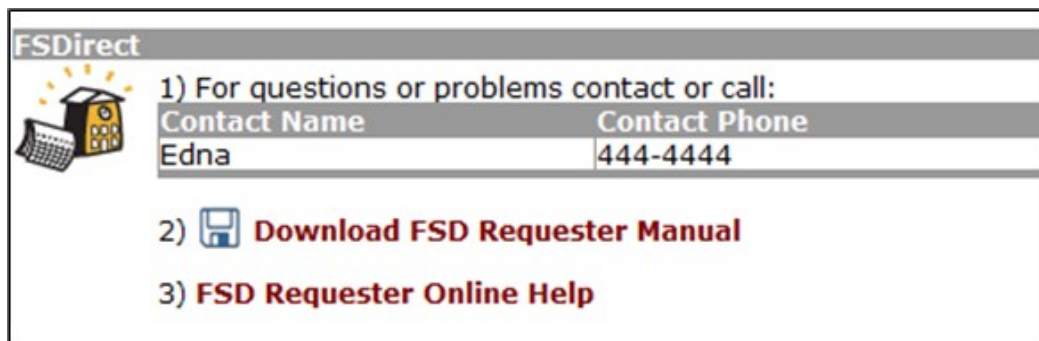

If you select the **FSD Requester Online Help** option you can click on the links under the **Table of Contents** heading. These headings will explain further how to navigate through the MySchoolBuilding.com page. In the **User Guides** section you will find an interactive help movie which will walk you through the steps of entering in a new request.
