## Classroom News

This was a great week!  
Kindergarten learned a new App on their I pads. It is called EPIC. Each child created his/her own Library of books to read. Some of the categories include, Funny, The World, Science Living Things, Learning and Mystery. This is a great way for the children to have books read to them independently based on their interest.

Everyone met in their Guided reading Groups.

The children have also been reading from the Kindergarten Reader. We are working on "sounding words out"

Please remember there is NO School on Monday!
