Language Arts:

Story: The Albertosaurus Mystery (starting 5/11)

Skills: Conclusions & Point of View

Strategy: Visualize

Spelling Pattern: Words with /j/ and /s/

Spelling test 5/20

Dinner Discussions:

*Please continue to practice multiplication/division flashcards daily. **Students should also be reviewing their packet of topic 11 math vocabulary terms.**

*Topic 11 is vocabulary heavy. Please take time to review the vocabulary regularly. Try to point out examples of the vocabulary words in daily life. For example, parallel lines on the road, intersecting lines on tile floors.
