News

Yesterday I sent home directions to access our Pearson Common Core Math program from home. Please note that each child's password is Slsd & each child's specific student #. The 1st S in Slsd is uppercase and the rest is lowercase.

On Tuesday the children will be counting and buying things with their Pouncer Paws that they have earned.

Hope to see you next Thursday for our Parent Information Session from 4:15-4:45
