*Please read at least 3 books this summer. Choose books that you love and that are close to your reading level. Turn this packet in to your ELA teacher or Mrs. Heurich, the JPLIS Reading Specialist, in August when we come back to school. We can't wait to see the great books that JPLIS Students are reading this summer! Students who complete this and hand it in will be invited to a special event in September! Watch for more details to come!*
